Product Description

Following up on over 20 years of the finest in hip-hop lyricism and the best in music soundscapes, the new album, Chronicles of The Electromagnetic Field General, Live From Carnegie Mellon, takes you on a journey through the world and into the mind of one of the finest MC's the world has ever seen. This 11 track album features live music and vintage rhymes from Da Great Deity Dah. The music is produced by Moods and Vibrations and Da Great Deity Dah with music coordination at the live session done by Dawoud Shahedu of the 5Bros MCs. We will be releasing this project on

multiple formats: CD, Vinyl, and Action Figure USB. Your vinyl bundle with this package includes: CD, a test press vinyl, retail vinyl, action figure USB with music from all 5 CD's, T-Shirt, In addition to a book of rhymes and essays titled **Tablet of The Deity** along with a comic book. Track listing; 1. Life or Death 2. Bless The Dead 3. Empty State 4. Stop The Bullying 5. Dapper 6. What's Happening 7. Penetrate The Soul 8. TV Screens and Magazines 9. The Antidote 10. NASA (Astral Travel)
